

MARTYRS' SHRINE

Weekly Church Bulletin | July 07 2019 | 14th SUNDAY IN ORDINARY TIME

Reflection of your purpose

In our generation today, an average life span of a person is 75 – 80 years old. Imagine that you are now 35 years old, how do you plan to spend the remaining 45 years with 540 months, 16, 425 days and 394, 200 hours of you life? Do you plan to focus on your career rather than spending it with your family? Do you want to create your own brand or you just want to stay unknown. Do you think you are the “Hustle Now, Enjoy Later” type of person, or the “You Only Live Once”? People may live their life differently, but at the end of the day, we all know that the life we have today and we will have tomorrow, is just temporary. That we have our own mission and purpose in life and it’s up to us how to live and deal with it.

In chapter 6 of the book “The Purpose Driven Life” by Rick Warren tells us, “Life is a temporary assignment” and as the Bible says, “For we were born but yesterday... Our days on earth are as transient as a shadow.” The Bible is full of metaphor that emphasizes this idea without any complexity. The nature of life is nothing but temporary and in other words, life is just a brief moment. In just a snap, you have everything and sometimes in just a second you have nothing.

The Kingdom is our home with everlasting life and compared to eternal life, life on earth is nothing but a short journey.

Life teaches us everything, like how travelling to different countries will teach us their language, culture and beliefs. Getting out of your comfort zone will also teach you to discover what you want and who you really are. Life teaches us how to value every single second of life so we can focus ourselves to something more important. We can spend more time with our loved ones, be more kind to others by lending a hand or spreading love, supporting each other and caring for our temporary home and the most important one, we must learn how to forgive. Ask yourselves, why are we putting so much effort, time, and energy on what wasn’t going to last?

Living life by giving more importance on things that are temporary is not a preparation to the next chapter in life. God wants us to live life to give importance on something we could carry on. It is one of the purposes that God gave us when we were born, the purpose of life.

MARTYRS' SHRINE MESSAGE

Get the latest copy of the Martyrs' Shrine message at the information centre. The message is a way for our members to stay connected to the shrine and submit their prayer intentions for the Novena to the Canadian Martyrs and the Novena to St. Joseph.

TOONIE CHALLENGE

The Church of St. Joseph was not constructed for year-round use. For that reason, the Church was never insulated, and is not heated. A specialized dry-air fire suppression system is required. Our system is in need of an update including replacing its pipes that are at the end of their life. Please support this project through our toonie challenge. If every pilgrim who visited Martyrs' Shrine gave a toonie, we would reach our fundraising goal. Yellow envelopes are available at the rear of the Church for anyone who would like their gift recorded and included on their annual donations receipt for income tax purposes.

A SPECIAL THANK-YOU TO OUR DONORS

With over 100,000 visitors a year, Martyrs' Shrine relies solely on the generosity of our visitors. We would like to take this opportunity to thank everyone who has donated to Martyrs' Shrine and helped us to excel in our mission, vision and values.

If you would like to make a donation, visit www.martyrs-shrine.com/donate or visit the Pastoral and Administrative Office.
