### WEEKLY REFLECTION

Teachers: Grade School & High School

The September issue of *Living with Christ* has an inspirational article by Richard Olson, 'Catholic Teachers: Witnesses and Memory Keepers.' I remember my grade school teachers at Sacred Heart School, Wolfe Island, and those at Regiopolis High School in Kingston, both laity and members of the Society of Jesus. One of my nieces now teaches at my former high school, responsible for the religious education program.

Parents are the primary educators of their children in the ways of faith. Aiding the parents in this vocation, Richard Olson writes, "Catholic teachers are powerful witnesses and memory keepers. By virtue of their own faith experience, they communicate the love of God found in Christ Jesus." Teachers mentor and affirm the young people, helping them recognize God, taking the initiative, knocking at our door to be let in, *Revelation 3:20*. "Teachers participate as ministers of the word by sharing the story of salvation history with students in the prayer and liturgical life of the school."

Here at Martyrs' Shrine we welcome students from nearby schools coming to spend the day with us, learning about the missionaries who lived here 400 years ago and appreciating the Huron/Wendat people who lived here then. We appreciate all teachers, in the Catholic schools and in the public schools for all they do for our young people, and especially for the extra special outreach during the year and a half of the COVID-19 limitations.

### WE RISE AGAIN: FALL FUNDRAISER

We invite you to join us on this one-hour special as we take you on a journey around this sacred site and what makes it so special from an ecological and spiritual point of view. As well, we will show you what we have been doing to help protect and preserve this land, the wildlife that depends on it and how our outdoor spaces create a landscape for intimate encounters with God. We ask for your help, as a part of our 2022 fundraising initiatives, to support our continued conservation work and protect this site for generations to come.
