## WEEKLY REFLECTION

---

UNLOVED;

I have a friend who discovered that his mother had wanted to abort him. This so undermined his sense of being loved, that he was born with itchy feet, always restless, always seeking something new and different, always hoping it would be better. He was never content.

Most of us experienced comfort in the womb. Our mothers tried their best to nourish us well, to talk and sing to us, to stroke us and to help us experience love. God is like a loving mother to us. God chose us to be. And God dwells in us. God has given us the Holy Spirit, an Advocate to guide us, to strengthen us and to love us. On this Mother's Day, let's thank God for the gift of our mothers, for the gift of our Mother Mary whom Jesus gave us from the Cross, and for the Holy Spirit who keeps on forming us in the womb of God's love.

## WHERE HAVE THE TREES GONE?

---

The parklands of Martyrs' Shrine have been decimated this season from the Emerald ash borer (EAB) beetle. Nearly 200 ash trees have been slated for removal with many felled already. To help, you can get involved in our Tree Memorial Program being released later this season. Inquire in the Visitor's Office.
