MINISTRY SERVED BY JESUITS

Reverends Patrick Coldricks, Wayne Bolton, Stephen LeBlanc, Robert Foliot & Michael Knox.

WEEKLY REFLECTION

As instructed by Jesus and being told all about what would happen especially about His crucifixion, His death and His Resurrection. Which was really impossible for his disciples to grasp and understand the full meaning of his message to them. They did in blind faith what they were told to do, and not to venture out of Jerusalem, but to wait for the Holy Spirit as promised by Him, that would help them to continue His mission on Earth according to the will of the Heavenly Father.

The Holy Feast of the PENTECOST is a milestone in Christianity, where the power of the Holy Spirit is vested on all who were to continue the work of Jesus on earth. The disciples were mortally afraid of the Jewish authorities, who would suffer the same fate of Jesus, were covering behind closed doors, and were probably eagerly awaiting the arrival of the Holy Spirit on them. Their hopes were not in vain, as they were ultimately blessed with the power of the Holy Spirit. The immediate miraculous transformation thereafter was that they now boldly faced the authorities, and anyone they met with fierce strength and courage as witnesses to the teachings of Jesus. That same Holy Spirit is what has driven our holy Martyrs of our Shrine here to be witnesses to the faith, and to love and serve all who visit the Shrine to return home in Peace and happiness to share it with their family, friends and acquaintances. The Holy Spirit is alive today in all of us men of good will to help God bring about His Kingdom of Heaven on Earth, as we are all called to do so. God bless.
